

Great Plains Conference
Equipping For The Harvest

Greetings Pastor,

First of all, let me thank you for reaching out to us about joining the Great Plains Conference! We are a bilingual network of ministers and churches committed to carrying out the Great Commission!

We believe it is our responsibility to equip ministers to establish Healthy, Growing, and Multiplying Churches that reach the unchurched, make disciples, and meet needs in their cities. We do this by providing the necessary relationships and resources to help ministers succeed. Members of the Great Plains Conference have access to ministry coaches, peer learning communities, leadership development, staff/volunteer training, curriculums, summer youth camps, world missions support opportunities, assistance with digital content and online church, a school of ministry, and so much more! We exist to help the local church achieve it's vision and we are honored that you would consider allowing us to serve you!

You can be sure that you and your church will be in our prayers everyday and that you are joining a caring community that seeks to honor King Jesus in all that we do.

Please fill out the paperwork in this packet and return it to us at:
